

# PARENT AMBASSADOR VOLUNTEER

Team/Department  
Family Support Service

## Volunteer Purpose

- To engage with local families to develop community cohesion, helping build community activities and services that families, children and young people feel are needed in the area.
- Communicating with families, developing their confidence in accessing services, signposting and referring them to services which may be helpful.

- Are you interested in supporting families in the area to develop parent and children friendly activities?
- Do you have transferable lived experiences and skills that you could share to support families in the local area?
- Do you think you could be an inspirational mentor for families, particularly vulnerable families who are facing challenges.
